

## **Renewals**

Any title may be renewed twice unless there is a reserve or hold on it (books and audio for a total of 9 weeks, movies for a total of 3 weeks).

A patron may view and renew their items and/or other family member's titles via the library's website using their library card number and personal pin at <http://youseemore.com/hood>

The patron is responsible for renewing each applicable item charged to all household accounts.

Once a title reaches its renewal limit (twice), it must be returned to the library for at least one week to allow other patrons the opportunity to check it out. The items may not be placed on any other family member's account during that week.
